Dear Mr. Sawyer:

The California Environmental Protection Agency (Cal/EPA) and the Department of Toxic Substances Control conducted a program evaluation of Contra Costa County Health Services Certified Unified Program Agency (CUPA) on November 15th and 16th, 2005. The evaluation consisted of a review of program elements, an in-office program review and field inspections. The state evaluators completed a Certified Unified Program Agency Evaluation Summary of Findings with your agency's program management staff, which included identified deficiencies, preliminary corrective actions, and timeframes.

Cal/EPA has received documentation of corrective actions taken by Contra Costa County Health Services for deficiencies found during the evaluation process. After reviewing the Summary of Findings and the documentation of corrective actions, Cal/EPA finds that all deficiencies noted in the Summary of Findings have been corrected.

Cal/EPA appreciates the actions taken by the Contra Costa County Health Services. Based on these corrections, Cal/EPA has modified Contra Costa County Health Services' rating on the evaluation from satisfactory with some improvement needed to meets program performance standards.

Thank you for your continued commitment to the protection of public health and the environment. If you have any questions or need further assistance, you may contact Jim Bohon, Manager, Cal/EPA Unified Program at (916) 327-5097 or jbohon@calepa.ca.gov.

Sincerely,

Don Johnson
Assistant Secretary
California Environmental Protection Agency
